Participants

Views

Recording Video

Get familiar with various methods for modifying, aggregating, reshaping, and visualizing data using the Tidyverse in R

Moderated by Mouna Belaid

BRINGING YOUR PLOTS TO CLOUD NINE WITH {PLOTNINE}

09/30/2022

Online

English

Workshop

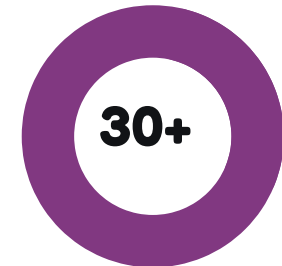

R-LADIES ♥ PYLADIES

BRINGING YOUR PLOTS TO CLOUD NINE WITH {PLOTNINE}

WITH
TANYA SHAPIRO

SEPTEMBER 30, 2022
AT 6PM CEST

Participants

YouTube Views

Explore how to create and customize enticing visuals using {plotnine} in Python -- a visualization library very similar to R's #ggplot2

In collaboration with R-Ladies Cologne, PyLadies Tunis, and PyLadies Munich

Recording Video

INTRODUCTION TO {GGPLOT2} IN R

10/13/2022

Online

English

Workshop

Introduction to {ggplot2}

October 13, 2022 at
7pm CEST

Tanya Shapiro
Freelance Analyst &
Content Creator
